**Policy #8:** Guidelines for C.E. Audits: Non-response or Deficient C.E.'s **Pg. 11**

**Policy #9:** No-Show Policy **Pg. 12**

**Policy #10:** P.B.M. Exemption Policy **Pg. 13**

## **Board Policy #1**

In the September 15, 1998 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy. In the May 13, 2003 Board Meeting, the Board revisited this policy and made amendments.

### **Guidelines for Administratively Approving Initial Applications.**

Applications will be approved administratively once all criteria as outlined in the law and Board rules have been met. The administrative processing of licenses means that the Board staff has reviewed the documents and approved licensure based upon the laws, rules and board policies that pertain to that specific type of licensure. License reinstatements will be administratively processed in compliance with the Board's current Reinstatement/Reactivation Policy. The Board will review any applicant with an affirmative answer to the conviction or Board sanction questions. Administratively issued licenses are considered for a vote to ratify at the next regularly scheduled board meeting.

## **Board Policy #2**

In the September 15, 1998 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy. In the May 13, 2003 Board Meeting, the Board revisited this policy and made amendments.

### **Guidelines for Summoning People to Investigative Interviews**

1. The Board secretary is to record the vote at the Board meeting for an investigative interview.
2. The Board secretary is to work with the Cognizant Board Member and GDNA to establish a date and time for each investigative interview.
3. The Board secretary shall reserve a meeting room for the investigative interview.
4. The Board secretary will notify each person scheduled, of the place, date and time for their investigative interview, allowing the persons scheduled ten (10) days after receipt of the letter of notification to notify the Board of whether or not he he/she will attend the interview. This notification will be sent via certified mail along with a signed return receipt to be sent back by the persons scheduled.
5. One week prior to the scheduled investigative interviews, the Board secretary shall notify the Cognizant Board Member, the GDNA and the Board's attorney of those persons scheduled to attend, those who will not attend and/or those who have not responded to the Board's notification letter.

## **Policy #3A**

### **Guidelines for Reinstatement/Reactivation of Pharmacists' Licenses who have NOT been actively practicing pharmacy for the past four (4) years or longer.**

(This pertains to a pharmacist whose license is on "Inactive" status or administratively lapsed due to non-renewal, voluntarily surrendered or suspended for disciplinary reasons.)

The applicant must complete the following:

1. All applicants must submit the completed application to the Board's office for reinstatement/reactivation.
2. Re-take and achieve a passing score on the Jurisprudence Examination (MPJE)
3. Complete and submit proof of 30 hours of Pharmaceutical Continuing Education.
4. Pay all back renewal and/or penalty fees.

Once the above conditions have been met, the Board staff will forward the file to the AG's office for issuance of a consent order requiring:

1. Applicants who have been out of practice between four (4) or more years will be required to work under direct supervision in an "Intern-like" setting as follows:

4 years – 1000 hours	10 years – 1600 hours
5 years – 1100 hours	11 years – 1700 hours
6 years – 1200 hours	12 years – 1800 hours
7 years – 1300 hours	13 years – 1900 hours
8 years – 1400 hours	14 or more years – 2,000 hours
9 years – 1500 hours	

When working in this "Intern-like" setting, an applicant can work a minimum of twenty (20) hours and a maximum of fifty (50) hours per week. At the completion of this practice, the supervisor must provide an affidavit attesting to the applicants' level of competency.

2. Once the hours are completed, all applicants must take and pass the Georgia practical examination.
3. Applicants may choose to complete 1000 hours in an "intern-like" setting and retake and pass the NAPLEX in lieu of working the total number of hours required above.

In its discretion, the Board MAY require one or all of the following: Applicants who have been out of practice for over ten (10) years may be required to re-take and achieve a passing score on the NAPLEX.

1. Submit further evidence of competency or stipulations as may be determined by the Board.
2. Inclusion in the CE audit pool for the upcoming renewal cycle.
3. Board may request to meet with licensee prior to license being reinstated.

## **Policy #3B**

### **Guidelines for Reinstatement/Reactivation of Pharmacists' Licenses who HAVE been actively practicing pharmacy during the past four (4) years.**

(This could pertain to a pharmacist whose license is on "Inactive" status, or a pharmacist whose license was administratively lapsed due to non-renewal, voluntarily surrendered or suspended for disciplinary reasons.)

1. Applicants must submit a written request to the Board's office for reinstatement/reactivation.
2. Pay all back renewal and/or penalty fees.
3. Complete and submit proof of 30 hours of Pharmaceutical Continuing Education obtained during the past two (2) years.
4. Submit a Curriculum Vitae (C.V.) indicating past work activities, going back to date of expiration.
5. If licensed in another state, have verification of license forwarded to the Georgia State Board of Pharmacy's office.

If the license was administratively lapsed due to non-renewal the board, in its discretion may also require one or all of the following:

1. Inclusion in the CE audit pool for the upcoming renewal cycle.
2. Board may request to meet with licensee prior to license being reinstated.

## **Board Policy #4**

In the November 17-18, 1998 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy. In the February 12, 2008 Board Meeting, the Board revisited this Policy and amended as needed.

### **Guidelines for Reinstatement of Pharmacists' Licenses that have been Administratively Lapsed for Failure to Renew.**

It is the Board's Policy that licenses that have been Administratively Lapsed due to nonrenewal shall be reinstated to include the following stipulations:

1. Pay a \$250.00 reinstatement fee, plus pay \$120.00 renewal fee for each licensing renewal period that the pharmacist did not renew his/her license.
2. Complete and submit proof of 30 Hours of Pharmaceutical Continuing Education.
3. Automatic Inclusion in the continuing education audit pool in the following biennium.
4. Board may request to meet with licensee prior to license being renewed.
5. Must also follow requirements in Policy 3(A) if applicant has not been actively practicing pharmacy for the past four (4) years or longer.

## Board Policy #5

In the October 22-23, 1997 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy. In the May 13, 2003 Board Meeting, the Board revisited this Policy and made no amendments.

### Guidelines to Ensure Safe Pharmacy Practice

**Purpose:** The Georgia State Board of Pharmacy has developed these guidelines to ensure the protection of the health, safety and welfare of Georgia's citizens as related to the scope and quality of Pharmacy Care and Services provided by the licensed Pharmacies and Pharmacists under the Board's jurisdiction.

**General Guidelines:** The following guidelines constitute what the Board feels is necessary to ensure Safe Pharmacy Practice:

- ☐ Each individual workplace should be designed to provide adequate space and workflow design that will accommodate the workplace in an organized fashion.
- ☐ Computers and other automated equipment should be of a design that drug interactions and contraindications **MUST BE REVIEWED BY THE PHARMACIST**. Further, the computer system should be of a design to support counseling, DUR documentation and other safeguards to meet legal and regulatory requirements. Adequately trained or experienced professional and supportive staff levels should be maintained to meet the demands of the practice site, workload and clientele served. It should be noted that both the number and the training or experience level of all staff are important. Other factors that could increase staffing levels include demand for OTC recommendations by customers, telephone interruptions, patient teaching and demands of managed care organizations and other third party programs.
- ☐ Staff should have the opportunity to take periodic "breaks" and/or meal periods to relieve fatigue and mental and physical stress. Staff should also have opportunities for training and education to keep them abreast of new information and changes in the field.
- ☐ Workload quotas or formulas such as strictly using the number of prescriptions or orders processed to set staffing patterns must include other considerations such as peak workload periods, workplace design, training of staff on duty, etc. to adequately meet the needs of the public.

**Discussion:** Ensuring that practicing pharmacists and pharmacies serving the public are providing accurately filled prescriptions, accurate and timely information for the use of the prescriptions filled and that the desired outcome of the therapy is achieved is the essence of Pharmacy Care. In today's

competitive marketplace, the issues related to achieving this should provide the opportunity to succeed. Institution of quotas and/or additional regulations would be difficult and hard to enforce but might be required. Liability, responsibility and sanctions must be shared equitably by the owner or management of the pharmacy and the individual practitioner. In addition to the above guidelines, the Board officers below, indicators that workload is too great for the staff or the Safe Pharmacy Practice Guidelines are not being followed and disciplinary action may be in order.

**Indicators:**

- ☐ An inordinate number of filling errors occur.
- ☐ Patients are not properly counseled.
- ☐ Patient or customer complaints.
- ☐ Continuing pharmacist complaints related to working conditions.
- ☐ Failure to comply with patient counseling or other rules and regulations.
- ☐ Inadequate supervision and training of supportive personnel.

## **Board Policy #6**

In the January 26-27, 1999 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy. In the May 13, 2003 Board Meeting, the Board revisited this policy and made an amendment.

### **Guideline for Mailing Renewal Forms**

1. ALL license renewals will be mailed at least ninety (90) days prior to expiration. This shall apply to all pharmacy and pharmacist renewals.

## **Board Policy #7**

In the September 27-28, 2000 Board Meeting, the Board voted to develop a policy pertaining to Electronic Drug Orders. In the May 13, 2003 Board Meeting, the Board revisited this policy and made amendments.

Pursuant to O.C.G.A. §26-4-80(i), the Georgia State Board of Pharmacy (Board) makes the following policy statement:

### **ELECTRONIC DRUG ORDERS**

☐ Computer or electronically generated prescriptions must bear the original signature of the issuing practitioner. It is legal for the body of the prescription drug order to be generated electronically, however, to be considered valid and legal, the practitioner must manually sign, in indelible ink, said drug order. Pursuant to O.C.G.A. §26-4-80(c), the Georgia State Board of Pharmacy (Board) makes the following policy statement:

### **FACSIMILE PRESCRIPTION DRUG ORDERS**

☐ It is valid and legal for a pharmacy to accept a prescription drug order, which is transmitted via facsimile, as long as the drug order has been sent by the practitioner or the practitioner's agent under the supervision of the practitioner. Prescription drug orders must be sent directly from the practitioner to the pharmacy without anyone intercepting the order as transmitted by the practitioner.

#### **Drug orders submitted via facsimile shall include the following:**

- ☐ Complete name and address of the practitioner;
- ☐ If for a controlled substance, the DEA registration number of the practitioner;
- ☐ The telephone number of the practitioner for verbal confirmation;
- ☐ Complete name and address of the patient;
- ☐ Time and date of the transmission;
- ☐ The full name of the person transmitting the order.

Nothing in the Georgia Code prohibits an electronically/computer generated drug order from being transmitted via facsimile as long as the drug order bears the original signature of the practitioner.

## **Board Policy #8**

In the November 17-18, 1998 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy. In the May 13, 2003 Board Meeting, the Board revisited this Policy and amended as needed.

### **Guidelines for C.E. Audits: Non –Compliance**

If a pharmacist is randomly selected for a Continuing Education Audit, does not provide proof of the required 30 hours of C.E. for the biennium, the pharmacist will need to comply with the following in order to late renew or reinstate the license:

1. The pharmacist must obtain two (2) C.E. credit hours for every one (1) C.E. credit hour he/she is deficient.
2. The pharmacist may be fined \$50.00 per deficient hour, not to exceed a maximum of \$500.00.
3. A public reprimand that will become a permanent document in the licensee's record may be issued to the pharmacist.

The pharmacist may not use the additional required hours in the present or next biennium. The hours are to comply with the past renewal biennium and may not be counted again.

12

## **Board Policy #9**

In the July 22-23, 2002 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy. In the May 13, 2003 Board Meeting, the Board revisited this Policy and amended as needed.

### **No-Show Policy**

Anyone who does not appear before the Board for his or her scheduled appointment without a valid reason, upon reapplying, will have a six (6) month waiting period.

## **Board Policy #10**

In the September 17, 2003 Board Meeting, the Georgia State Board of Pharmacy voted to adopt the following as Board Policy.

### **P.B.M. Exemption Policy**

Pharmacy Benefit Managers (P.B.M.'s) are exempt from questions 5-8 on the application. These questions are considered exemptions as follows:

5. Do you have a Class A Balance and other equipment as provided for under "Minimum Equipment for Prescription Department", Chapter 480-10-.12 of the Rules and Regulations?
6. Does the store keep an exempt narcotic register?
7. Are narcotics stored or locked in a secure place? Mixed with stock?
8. Does the store keep a poison register?
